Valid until	:	**July 20th – 2028**
Supplier	:	**MHS Munich Home Systems GmbH**
Product Range	:	**HEATSCOPE® Projects Line** **Covered models – See Annex A**

Certificate

The listed infrared heating panel ranges have been certified by the Indoor Climate Center (Binnenklimaattechniek) in accordance with the requirements of the EIHA Quality Label Infrared (v. 01/2024) of the European Infrared Heating Alliance (EIHA). Certification is based on:

- A valid EIHA Quality Label certificate issued for the corresponding OEM product range
- A joint declaration signed by the Original Equipment Manufacturer (OEM) and the private-label holder confirming that the listed products are technically identical
- Confirmation that the technical documentation submitted for the original assessment is fully applicable to the listed product range.

The listed products therefore correspond to a product range that has been assessed by Peutz and verified to meet the following requirements:

- The products are CE-certified
- The products are manufactured in compliance with European Factory Inspection Procedure ECS/CIG 021 – 024 or equal
- The products are classified and tested in accordance with IEC 60675-3:2020 and meet the radiation efficiency requirements
- The products are compliant with COMMISSION REGULATION (EU) 2015/1188 of 28 April 2015

Rijswijk, the Netherlands, 28th July 2026

Signed,
Indoor Climate Center
R. D. Hompe – Chairman
